

Bright Ideas

The Bright Ideas Grant Program supports innovative and effective classroom education curriculum that cannot be covered by traditional school financing.

Teachers in public and private schools, K-12, and home school associations in CAEC's service area of Autauga, Elmore, Chilton and Coosa counties, are eligible to participate. Grants are awarded for projects in any discipline and are intended to help teachers within CAEC's service area produce a better-educated workforce. The grants are designed to help teachers introduce innovative teaching methods.

Grants are awarded annually in a competitive evaluation process.
