

Couples Conference

CAEC sends two couples to the Cooperative Couples Conference annually in Orange Beach, Ala., in July to provide them with additional knowledge and insight into the economic and service opportunities afforded by cooperatives.

It also gives them an opportunity to exchange ideas and experiences, as well as to learn about the leadership needs in cooperatives and their communities.

To learn how to apply, contact 1-800-545-5735, ext. 2213.
